

Ferraro's

ITALIAN RESTAURANT • WINE BAR

Welcome to one of the top Italian wine selections on the planet! We are excited to share the journey with you as this list will take you all over Italy with the focus on Toscana and Piemonte.

At Ferraro's we feel that the Nebbiolo varietal is the ultimate expression of what wine should be, of course if it's traditionally made! Our Nebbiolo selection is impressive, possibly the finest in the United States and one of the top in the world.

We are proud to represent the major players of Italy such as Emidio Pepe from Abbruzzo where traditional method will never cease, Soldera Brunello (by far the best Brunello in our estimation), Biondi Santi Brunello and Bertani Amarone.

As a special treat we also feature the big boys from Piemonte like Paolo Scavino, La Spinetta, Bruno Giacosa, Giuseppe Mascarello, Bartolo Mascarello, Vietti, Aldo Conterno and Luciano Sandrone.

Some particulars we recommend you make note of is the incredible collection of Angelo Gaja with over 40 selections to choose from, and the ultimate wine maker Giacomo Conterno's creations with two spectacular Barolo's highlighted, Cascina Francia and Monfortino which is possibly the best wine on the planet!

We value the older traditional winemaking processes and believe that French oak should stay in France. It is our firm belief that wines made in this fashion pair best with true Italian cuisine, which is simple, fresh and not over powered with garlic and other spices. As you peruse the menu you'll find these are the wines we highly recommend.

Just like the wines, we let our food express the tradition and flavors of Italy.

If you have any questions regarding our wine list please don't hesitate to ask for our wine experts, Paolo Uccellatori or Gino Ferraro. It is our life long love and we are pleased to share it with you.

Grazie & Salute,

Gino Ferraro

ITALIAN RED BARBERA

Barbera is a red Italian grape variety and is known for its deep color, low tannins and nice acidity. The wines offer a very intense aroma of fresh blackberries, cherries, raspberries and blueberries. Many producers employ the use of toasted oak barrels which provides for increased complexity, aging potential and hints of vanilla notes.

NEBBIOLO

Langhe lends its name to the hills to the north and south of the city of Alba. It is the region's most important wine growing zone and home to some of the world's most renowned wines, Barolo and Barbaresco, made with the Nebbiolo grape. Langhe Rosso wines are crafted from various indigenous grape varieties; although younger, the wines display similar characteristics.

BAROLO
100% NEBBIOLO

“The King of Wines and the Wine of Kings”

Barolo is a big, tannic expression of the Nebbiolo grape. Despite the different characteristics of these wines due to the varied terroir they do display similar traits. These include a garnet color, powerful structure, high acidity and alcohol levels, unmistakable aromas of tar and roses, firm tannins, and the capacity to age for many years. As the tannins soften over time, the complexity shows through with hints of earth, truffles and dark chocolate.

BRUNELLO di MONTALCINO

Brunello is the name of the local Sangiovese grape variety that is grown around the village of Montalcino.

This clone of Sangiovese has a bigger berry and tighter cluster and is also known as Sangiovese Grosso.

Located south of the Chianti Classico zone, in the province of Siena, the Montalcino township range is drier and warmer than Chianti, yielding riper, bigger, and juicier wines. The Brunello clone of Sangiovese flourish in this terroir, ripening easily and producing consistently wines of lively garnet color, great extract, richness and full body with a good balance of tannins. Aged for 4 years prior to release and riserva, 5 years.

AMARONE della VALPOLICELLA

Amarone is one of Italy's few "dry passito" wines, meaning the wine is made with late harvest/dried traditionally a blend of Corvina, Rondinella and Molinara. The grapes are allowed to dry, traditionally on straw mats in wooden shelvings. This process is called "appassimento" or raisinate in English-to dry and shrivel. It concentrates the remaining sugars and flavors resulting in a big, rich bold, structured, dry wine with a residual amount of sugar that gives them the world renowned smoothness and silkiness.

Masseto is a very special wine, one that simply goes beyond the excellence of the wine. It represents a unique world, a choice that is exquisitely sensitive to the values incarnated by the earth and man's labors thereon. "Possibly the BEST Merlot on the planet!" Gino Ferraro

TENUTA DELL' ORNELLAIA

Tenuta dell'Ornellaia was founded in 1981, in a beautiful, unspoiled part of Tuscany. From the outset the mission was to produce outstanding wines. Since then passion and dedication, coupled with a unique terroir and an extraordinary microclimate, have brought the Tenuta dell'Ornellaia's prestigious labels great success and recognition as one of the most important wineries in the world.

ITALIAN RED SANGIOVESE

The Sangiovese grape is Tuscany's most prominent varietal, although many different clones exist. In the 1970's, a new class of wines known in the trade as "Super Tuscans" emerged, launching this region at the forefront of the great wine-making areas of the world. Although an extraordinary amount of wines claim to be "the first Supertuscan," most agree that this credit belongs to Sassicaia, the brainchild of Marchese Mario Incisa who planted Cabernet Sauvignon at his Tenuta San Guido estate in Bolgheri in 1944. The innovative decision to plant this variety was partly due to the similarity he had noted between Tuscan terrain and that of Graves in Bordeaux. Super Tuscans are essentially "Bordeaux blend", a combination of varietals such as Cabernet Sauvignon, Cabernet Franc, Syrah, and Merlot .California Cabernet devotees Love Super Tuscans!
